## Line Card Winter 2009

AQUATIC  
Real Luxury for Real Life.

Aquatic has been developing innovations in hydrotherapy to bring the spa experience to your home for over 20 years. A spectrum of colors and luxurious features to fit your style.

COLE & CO.  
VANITY BATH COLLECTION

Cole & Co. has over 40 vanity styles that erase the line between functionality and style to create extraordinary pieces of fine Furniture for the Bath™.

floodstopper

The FloodStopper system uses an automated control panel, similar to an alarm system, electronic sensors to detect leaks, and a valve on the main water line to shut the water off. Residential and Commercial models. Installed in new construction or retro fitted in existing structures.

FOGCO

A leading manufacturer of high pressure (1000 PSI) mist system technologies used for cooling, mistscaping, humidification, dust control and special effects.

Honeywell  
Water Solutions

Water control solutions, ranging from pressure reducing valves, thermostatic mixing valves to hydronics heating controls.

LASCO  
BATHWARE

Acrylic and Fiberglass bath products ranging from designer whirlpools to economical remodel tub shower units and ADA approved roll in shower solutions.

MAINLINE

The first choice among drainage professionals. Mainline produces the cost effective and easy access Adapt-a-Valve series of backwater valves and DWV test plugs.

Mansfield

A wide range of sanitary ware available in commercial, designer suites and in economical builder series designs. Mansfield also produces high efficiency "GREEN" products.

NORITZ

The #1 manufacturer of residential natural gas and LP tankless water heaters. Commercial tankless heater models for hotels, restaurants, and multi-family projects. New condensing models available.

Price Pfister™  
Pf Pfreshet Ideas in Pf faucets

Designer faucet products of unsurpassed quality that meet the requirements of even the most demanding customers. Guaranteed for finish and function for life.

REHAU

Pex "A" water piping that resists the scaling and corrosion. Applications for Plumbing, Municipal water piping, Geo Thermal ground loop systems, Insulated pex piping for chilled water systems. Renewable energy products.

TracPipe  
Flexible Gas Piping by Omega Flex

Durable and flexible corrugated stainless steel tubing (CSST) and patented fittings technology for use in new or remodel natural gas and propane installations. Sizes 3/8" to 2".

WILO

WILO is one of the leading manufacturers of circulating pumps and booster pump systems for plumbing, HVAC, chilled water, and well water supply systems.

ZETA ROD

A zero maintenance electrostatic water treatment system that prevents hard water scale and biofilms from forming. The "GREEN" alternative to salt based water softeners!!
